## Fire Chiefs' Council of Suffolk County, N.Y.

### **UPCOMING FIRE CHIEFS COUNCIL OF SUFFOLK COUNTY BRUNCH**

Captain Bill's Restaurant in Bay Shore is one of the nicest restaurants on the South Shore of Long Island. Located on the water amid boats and ferries the dining area we use for the annual installation brunch of the Fire Chiefs Council of Suffolk County is a beautiful room. The brunch has a wide variety of typical quality brunch dishes.

We will be swearing in our new President Mike Barry of the Medford Fire Department along with the rest of the Board.

Moreover, we will be honoring John (Chip) Bancroft with the Rick Van de Kieft award for his outstanding service to firematics in Suffolk County.

The 1<sup>st</sup> Assistant Chief of the West Islip Fire Department Robert Celeste will be awarded the Fire Chief of the Year award for his exemplary rescue at a vehicle fire.

Please make reservations for this November 10, 2024 brunch at 11:30 a.m. today by calling Irene Bodkin at 917 575 9874 or by email [rene49pow@yahoo.com](mailto:rene49pow@yahoo.com). The cost is \$160 for two. This is one of the most pleasant firematic functions you will ever attend and a great way to honor those being awarded.
